## Niemeyer

(76-0354)

Christopher was inspired to create this splendid cocktail table following the passing of Oscar Niemeyer in 2012, and drawing on his unique design of the Cathedral de Brasilia. Christopher says: "I simply doubled the amount of struts and inverted the design, as I wished this to be as pure to his great design legacy as possible". Made from solid mahogany with a tempered glass top, this unique piece is ideal as a coffee table. Also available with a smaller glass top 76-0349.
